**HEADLINES:**

**Two teen-age friends and their pets run a desperate race through the time tunnel of history. Their mission is to thwart a gang of ruffians who are intent upon murdering the last fourteen members of the Conestoga Indian tribe.**

**SUMMARY AND RELEVANCE STATEMENTS**

***Conestoga Courage* is an action packed mystery that has teenagers Jinx McKenzie and Max Myers traveling at warp speed through the time tunnel as they are summoned by a distraught figure from the past.**

**Along with their animal sidekicks, the *JMP History Mystery Detective Agency* must unravel veiled hints and attempt a daring change in history that will affect the few remaining members of the Conestoga Indians of Pennsylvania in 1763.**

**Jinx and Max each struggle with their conscience and the world's prejudice as they put themselves into extreme danger to prevent a terrible wrong that was committed hundreds of years ago.**
